## What one donation partner has to say:

*“I found the app VERY easy to download and use. I like the fact that minimal steps were involved in registering. High praise from someone whose skills in the digital age aren't great! Our success is also due to our ability to reach out to each one of our existing networks to encourage donations utilising all public channels available to us”*

**Louise Webb**  
President of Volunteer branch, RSPCA Eurobodalla

Despite COVID, RSPCA Eurobodalla received over 10,660 drink container refunds in 12 months (May '21 - '22) from 45 Return and Earn kiosks located across the state. Both locals and Return and Earn users from various parts of NSW supported RSPCA's campaign by donating some of their 10c containers refunds.
